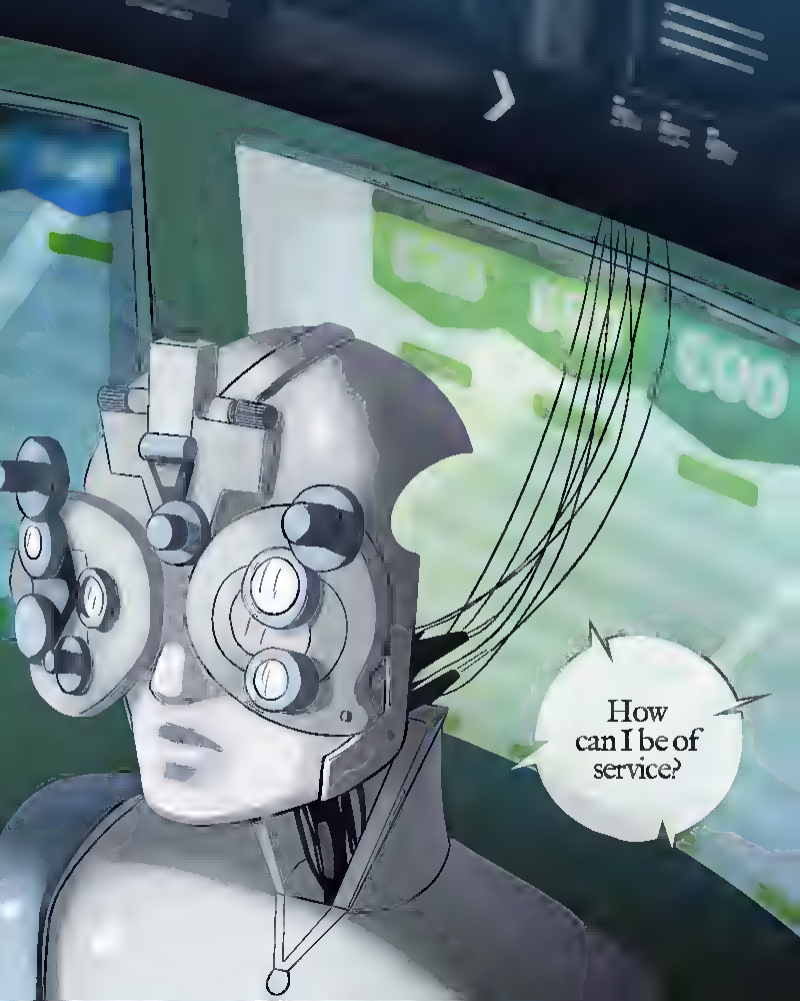
BAO CHIKA WOW WOW

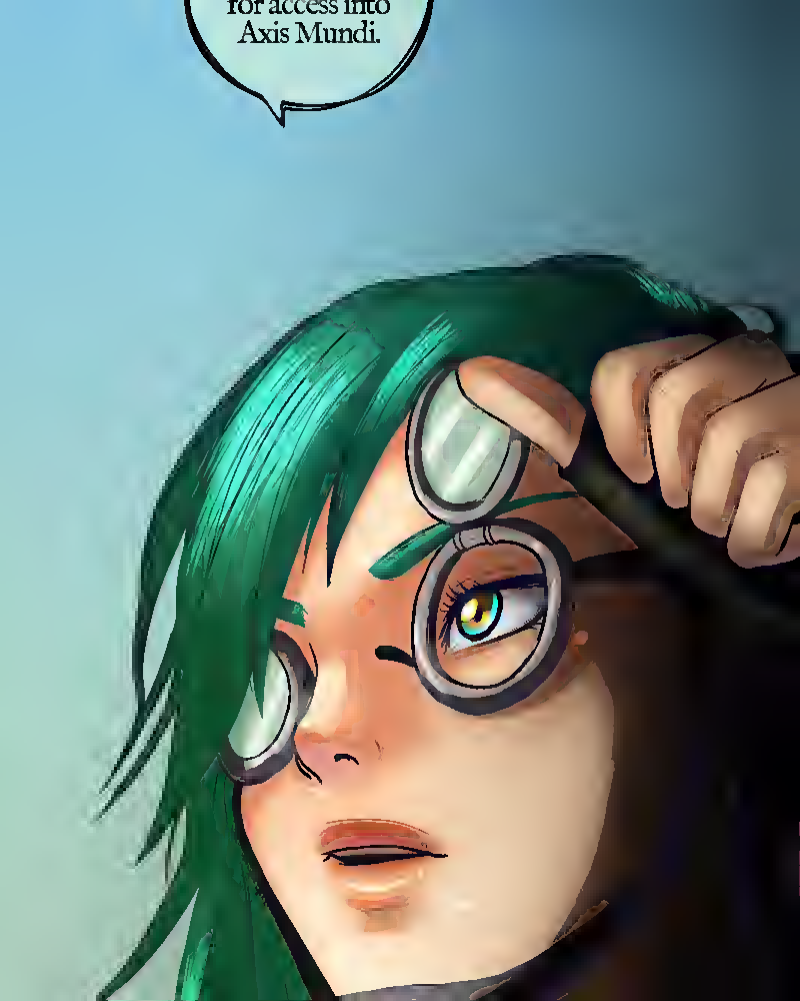
Welcome to
Eye4NEye.



How can I be of service?

I need
3 hacked eyeDs

for access into Axis Mundi.



Do you offer gold, credits or trade?

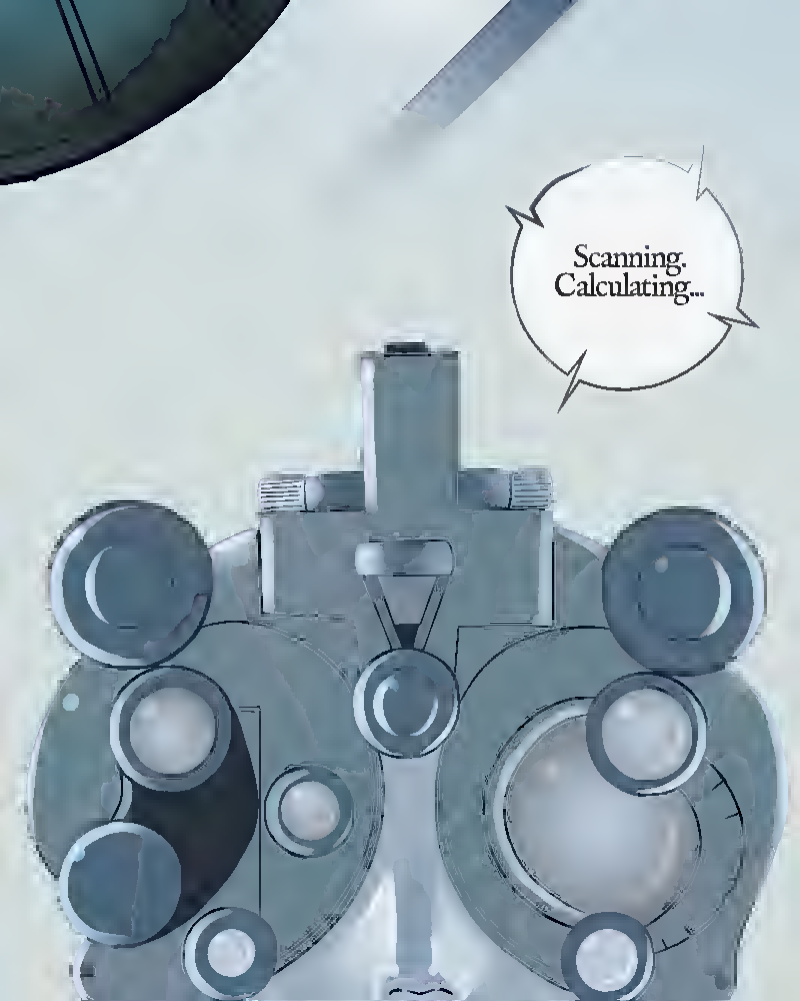
Trade.

I have rare seeds and alchemy books.

Hey Bebo, last night in Kazu's room, I found myself levitating.
Is it possible that I can... fly?

Uh huh!

Then I defnintely know the first thing I want you to teach me!

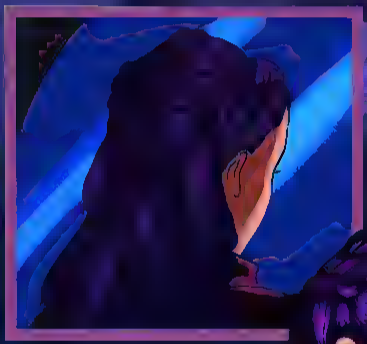


Scanning.
Calculating...

Insufficient value.

Your trade can cover only one eyeD with 24 hr access into Axis Mundi.
No, no no, not one,
I need three.

Terra and Kazu seem like good people,



...but, I can't keep trusting in every person I meet.

There's too much at stake novo.

EYE 4 N
Ash!

Citizens of Axis Mundi, greetings.

Come celebrate with me, the grandest party in all the kingdoms,

My birthday gala.

Every year, a foreign kingdom is chosen to host this spectacular soiree.

This year's entertainment is brought to us from the city of the Sun.

Heliopolis.

Their chosen theme for this festivity is 1001 Arabian Nights.

One entry ticket starts at 50,000 credits in gold.

All proceeds go to protecting the interest of our Kingdoms.

Join me for this party of a lifetime.
Excuse me,

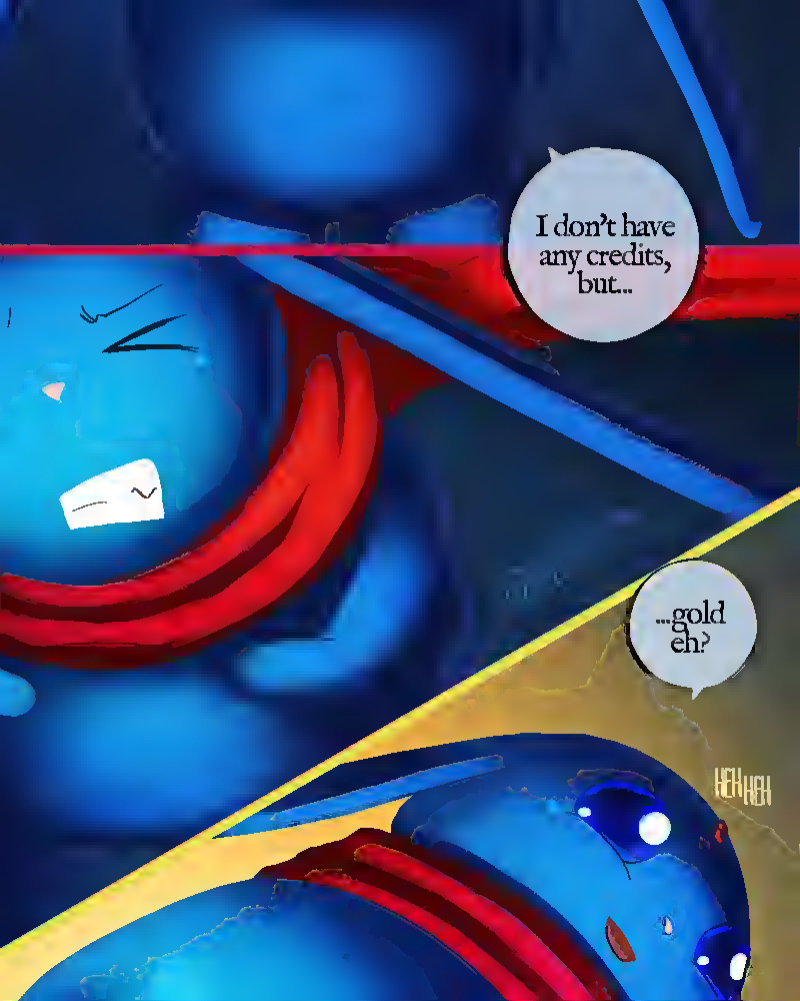
SIR?

Huh?!
You some kid in a costume?

Is my eyeD glitchy again?
Yes, hi!
May I try one.

please?
First,
credits or gold.
NO TRADES
1 BAO = 5 c
6 BAO = 28 c

You hear that, Red? On earth, one must exchange something of equal value for food.
Haha, yes I agree, how archaic.



I don't have any credits, but...
...gold eh?
HEH HEH

Here ya go!
